

...this way for a lifetime of care

The fairly new (5 years) agency building is located in an amazing location for the potential of future growth of the community organization, although considering it is in newly established city limits and is for now, the only building on this street, concerns have been shown that some new patients have difficulty locating the building. This sign was erected not only to help direct the community to our building, but to also serve as a communication sign that will hopefully hold upcoming event information in the future. Thank you to Deters Sign Co., the City of Bowling Green, the Visitors Center Park, and to our maintenance man Bill Crane, and foundation member Kent Betts for making this project possible.

JANUARY EMPLOYEE & EVENT SPOTLIGHT

Happy 8 Year Anniversary!
January 2nd
Susan DeCamp
RN Case Manager

Happy Birthday!
January 8th

Public Health Nurse

Happy 5th Anniversary
January 17th
Kimberly Yoder
RN Case Manager

Jan. 2nd OFFICE CLOSED New Years Day
Jan. 16th OFFICE CLOSED M.L. King Jr. Birthday

Almost 4 decades dedicated to PCHD!

39 years this past November to be exact, 39 years we have had Mary Jo Barr as a humble member of our team. She is very compassionate about her community, and the people within it, and it shows in her work. Mary Jo started with our company in 1977 and has worked as WIC Coordinator and Public Health Administrative Assistant.

“Hello, my name is Mary Jo Barr and I have worked for the Pike County Health Department for over 39 years, starting in 1977. At that time, the then called “Pike County Nursing Service”, was in the Courthouse and we had no computers, we relied solely on typewriters. In 2000 we moved to the old “county jail” until 2011 when we moved into our beautiful new facility at 1 Healthcare Place. I have seen many changes over the years – mainly the addition of the computer. I thought for sure I would never be able to learn to use one and would have to quit my job, but with lots of practice, frustration and anger, I learned and now don’t know what I would do without one.

I have filled many roles, including WIC Coordinator for 32 years and public health administrative assistant, which entails any duties necessary to assist the nurses and conduct various business of the agency. I love working with the public and am so proud of the growth and many new programs we have added over the past several years. This is due to very dedicated and professional staff members who wear many hats and have a strong desire to serve the residents of the area.” - Mary Jo Barr

Pike County Health Department Home Health & Hospice - JANUARY 2017

Over 500 children enjoy another Cookies and Cocoa with Santa Event!

Since 2012 the Home Care & Hospice Foundation and the Pike County Health Dept., Home Health & Hospice have treated the community to an event that has the children excited. Cookies and Cocoa with Santa is just another event that gives us the opportunity to “give back” to the community. Santa shows up with one of his live reindeer, and the children wait in the festively decorated halls to tell him what they want for Christmas. New to the event this year was the appearance of numerous Disney characters, which included Mickey and Minnie Mouse, Anna & Elsa from Frozen, Woody & Jessie from Toy Story and a handful of Santa’s helpers! While the children waited, they got to enjoy a photo booth, raffles, and a winter craft; the children also got a wrapped Christmas gift, cookies and chocolate milk from Santa, as well as the opportunity to write a letter to Santa and put it in his direct mail box! Children from across the counties came to enjoy the day full of holiday spirit, and we are very proud to be able to host such an event at no cost to the public.

Save the Date

Save the date for the Home Care & Hospice Foundation of Pike County's 6th annual Valentine Gala; **Saturday, February 11, 2017.** This year's gala will once again be held at the K of C Hall in St. Clement, Missouri. The doors for the formal event will open at 5:00 p.m. and the prime rib dinner will begin at 7:00 p.m. Along with the tasty prime rib dinner, there will be extravagant desserts, Silent & Live Auctions, raffles, and Live Dueling Pianos! This event is open to all those age 21 and older and all proceeds go to benefit the Home Care & Hospice Foundation of Pike County. Tickets are \$40 each, or \$320 per table of eight and can be retrieved by calling 573-324-2111, emailing Jennifer Schumacher, Event Coordinator at jschumacher@pikecountyhealth.org, or visit our website at www.pikecountyhealth.org.

Valentine Gala

HAPPY NEW YEAR

From all of us here at Pike County Health Department, Home Health & Hospice, we wish you a fun and safe happy new year!

Home Care & Hospice Foundation annual giving campaign is a continued success and board approves new logo

The Home Care & Hospice Foundation of Pike County is a 501(c)3 not-for-profit charitable organization and operates on fund-raisers and donations. At the end of every year the Annual Giving campaign is initiated and over 1500 letters are sent to previous donors and other citizens and businesses of our community, seeking donations to keep our foundation alive. This campaign helps to generate thousands of dollars from generous people like you that help the foundation, help numerous people in our community through our services.

The Home Care & Hospice Foundation was created to meet, as necessary, the gap between the agency's income and costs, staff education, and training, equipment purchases and maintenance, facility improvements and fundraising costs, with an overall objective to provide high quality healthcare to every area citizen regardless of ability to pay. The Foundation Board is made up of area citizens and staff, who study needs and opportunities, plan fundraising, and set goals and time tables for implementation of activities. If you are interested in donating please call 573-324-2111 or visit our website at www.pikecountyhealth.org.

In addition the board had agreed to an image update to their foundation. The board was presented with options for a new logo and a new brochure design, by Marketing Coordinator; Tracy Brookshier. The hopes of the new look are to assist in promoting the foundation and its cause in a professional manner. A decision was made, and you will now be able to recognize the foundation by this new logo:

Ice Cream Socials; a tasty new tradition

In May of 2015 the idea of monthly ice cream socials became a reality. This agency continues to have the focus on helping our community and more often than not, when hosting our events, the elderly that are with-in our local nursing homes are unable to attend. We wanted to ensure our elderly residents get some quality attention as well, so the idea sprung to host monthly ice cream socials. Since May, Hospice Volunteers and PCHD Staff have joined forces and scooped over 3500 scoops of ice cream, drizzled over 40 pounds of chocolate, strawberry, caramel, and sugar free topping, and sprinkled more than 5 pounds of festive sprinkles for hundreds of residents, their families, and staff. Residents also get to enjoy "fun sheets" that have a coloring page and word find. Ice Cream socials have involved Halloween costumes in October, Christmas Elves in December, and who knows what exciting attire in store for the upcoming months. The feedback has been great, and our volunteers and staff are very excited to continue this tradition.

Pictured above for October Ice Cream Socials are Hillary Hakenwerth, RN, Kimberly Yoder, RN, and in costume are Tracy Brookshier, Marketing Coordinator, and Melissa Lesley, HHA.

Join us, we are **HIRING!**

- Home Health Coordinator/Nursing Supervisor
- Hospice Social Worker
- RN Case Manager

Job descriptions and applications can be found on our website www.pikecountyhealth.org
