*Donations received by Pike County Hospice will be used to benefit Pike County residents dealing with terminal illness.*

The Home Care & Hospice Foundation was created to meet, as necessary, the gap between the agency's income and costs, staff education, and training, equipment purchases and maintenance, facility improvements and fundraising costs, with an overall objective to provide high quality healthcare to every area citizen regardless of ability to pay. The Foundation Board is made up of area citizens and staff, who study needs and opportunities, plan fundraising, and set goals and time tables for implementation of activities.

Helping to provide high quality healthcare to every area citizen regardless of ability to pay.

Enable Pike County Hospice to provide hospice care to patients and families regardless of their ability to pay. We are a not-for-profit 501(c)3, charitable organization. Any donations designated for hospice care are issued to assist patients and families served by Pike County Hospice. Donations are also Tax Deductible and are accepted many sorts including appreciated assets such as securities or real estate.
