

**“Service to others is the rent you pay  
for your room here on earth.”**

- Muhammad Ali

## *Become a Pike County Hospice Volunteer*

People often imagine themselves becoming a hospice volunteer, and being able to make a difference helping those nearing the end of their life journey. Yet too many people never follow through because they are nervous of what may be expected, and unsure of what it entails. If you are considering becoming a hospice volunteer, here are some examples of volunteer activities:

- In person family time and companionship**
- Telephone conversations**
- Respite care**
- Pet therapy**
- Art and/or music at the bedside**
- Transportation assistance**
- Assisting in administrative hospice office duties**

We are gracious for every minute volunteers spend with our patients. Even more so, our patients and their families are grateful for these services as well.

Hospice Volunteer's are NOT required to complete any specific amount of hours or activities. Give as much time to our patients as you wish and are able to; set your own hours.

Those interested in becoming a Pike County Hospice Volunteer are required to complete an application, pass a background check, and complete a video training course.

*Please contact our office for more information.*
