

**Coloring for a Cause** was created to help enlighten the days of our patients at Pike County Home Health & Hospice. Any child willing to donate their coloring pages, drawings, crafts, etc., to the cause is sure to give a big smile to a patients face, and is greatly appreciated. Donations can be dropped off at **Pike County Health Department, Home Health & Hospice 1 Healthcare Place - Bowling Green, MO 63334** for more information: 573-324-2111 or [tbrookshier@pikecountyhealth.org](mailto:tbrookshier@pikecountyhealth.org)
