* **Face to Face Encounter:** For all **Medicare patients**, a physician must have had a Face to Face visit with the patient for the reason that the patient needs home health services. This visit must occur within 90 days prior to, or 30 days after the start of home health care. Please complete the information below for all **Medicare** recipients.

Face to Face Visit Date: Reason:
Clinical Findings that Support Home Health Services:
(Findings indicate skilled need, i.e. presence of wounds, inability to ambulate without assistance, recent surgery with pain, urinary catheter, etc.)

Clinical Findings that Support Homebound Status:
(Patient as great difficulty or inability to leave home unassisted or outings are infrequent i.e. patient becomes extremely SOB with exertion, must use a walker and assist of one person to leave home, medical restrictions due to recent surgery, dementia, etc.)

This form was completed by
Primary Care Physician (PCP) from Face to Face Visit
PCP Based on information from acute/post - acute facility physician
PCP based on collaboration with Non-Physician Practitioner
