

Our Mission

Our mission is to ensure the safety, wellness and comfort of our neighbors, the citizens of our community, through the delivery of exceptional care and preventative services.

We've been providing home health care services to citizens of Pike County and surrounding areas since 1969.

Let's work together to achieve recovery.

Call us to see how we can help you and your loved ones.

"Your entire team is professional, courteous, and well trained, and create an attitude toward returning to normal health that stays with you when their job is complete! Thank them all for me!" - B.N.

Home Health Agency
Since 1969

Providing skilled professional care
to home bound residents of
Pike, Audrain, Montgomery,
Ralls, and Lincoln Counties

A proud continued service of

**Pike County Health Department
Home Health & Hospice**

A complete approach to home health care and overall recovery.

- When an individual experiences an acute onset or worsening of a condition we can provide skilled care in the home.
- Our team coordinates with the patient, the patient's family, and the patient's physician in order to assure our patients receive the highest quality of care.

As part of our complete approach to care, we also provide:

- Education related to specific disease and injury processes, expanding individuals' (patient, family, friends, etc.) knowledge of what can be expected during the course of recovery.
- Nursing staff on call 24 hours a day, 7 days a week.
- Referrals for additional beneficial services.
- A goal specific discharge plan created through close collaboration with patient, physician, and nursing staff to facilitate and support the continuation of the patient recovery process.

Complete home health services from your Pike County neighbors.

A physician's order for home health services begins the process. Services can include:

- Skilled nursing care necessary for recovery from illness, including IV & IM therapy, wound care, diabetic foot care, in addition to many other physician ordered services.
- A home health aide to provide assistance with bathing, hygiene and grooming.
- Medical social services to aid in addressing any issues interfering with patient recovery.
- Physical therapy to assist with mobility, including therapeutic exercise, in addition to balance, gait, and transfer training.
- Occupational therapy to help patients adjust and relearn activities essential to daily living.
- Speech therapy to address speech disorders as well as problems with swallowing, hearing and memory loss.

Call us at (573) 324-2111.

We are here to answer your questions and provide help and support during this difficult time. www.pikecountyhealth.org

Covered by Medicaid, Medicare, Workmen's Compensation and private insurance.

Pike County Home Health is Medicare certified and state licensed. Medicaid, Medicare and most insurance plans cover our home health services.

You Have a Choice

Patients have the freedom to choose the home health agency to which they will be referred. However the choice of a home health provider can be daunting. Your neighbors at the Pike County Health Department, Home Health & Hospice are here to help.

Choosing Pike County Home Health will help the community in a beneficial manner through bringing Federal and State tax dollars back to Pike County and surrounding areas.

"Excellent staff! Excellent care! I don't know what we would have done without home health. Everyone is so kind and caring. Can't speak highly enough about them!" – R.A.
