Memorial Tree Border Makes Progress!

The Pike County Hospice Volunteers sold trees to border the agency's parameter. Each tree will have a plaque in memory of a loved one that has passed. A dedication ceremony will be Saturday, May 17th at 10:00 a.m. for the families to officially dedicate their tree for their loved one. The Bowling Green High School's Horticulture class dug the holes for Crane Lawn Care & Landscaping to plant the trees in. There are still memorial trees available to purchase—please contact Sheila Storts at (573) 324-2111 if you are interested in planting a tree in memory of your loved one.
