EMPLOYERS & STORE OWNERS!

**Pike County
Health Department
Home Health & Hospice
wants to come to you!**

**Our agency has so much
to offer the community
and we need your help to
get the word out!**

**Our representative
Tracy Brookshier wants
to bring snacks and talk
about it. Choose from the
following options
or make your own!**

Table Talk (with snacks!)

Tracy shows up with a table full of resources and **snacks**. Let your staff/customers come at their leisure and ask questions and talk about the services we have to offer. She can also bring a nurse along to give blood pressure checks, flu shots, etc.

Presentations (also with snacks!)

Tracy is ready, and loves to talk! Do you want an informal presentation on the entire agency or maybe on a specific program we have to offer? You choose the topic and how long you would like the presentation...
we will bring the snacks!

CONTACT TRACY TODAY! (she has snacks!)

If you are interested in helping your employees and/or customers get informed on all the resources we have to offer, schedule a date and time by contacting
