## Breastfeeding Awareness Walk and Celebration Friday, August 7th, 2020 at 10:00AM Bowling Green City Park

The Pike County Health Department, WIC program will be hosting a Breastfeeding Awareness Walk and Celebration in honor of World Breastfeeding Week. You are invited to meet us at the pavilion by the concession stand. There will be a walk around the park so moms are encouraged to bring their strollers or carriers. Pregnant women, breastfeeding moms, and their support are welcome to attend this free event.

Our office offers Breastfeeding Peer Counseling support for those moms seeking help and resources for nursing their children. We are also a proud Breastfeeding Friendly Workplace, as we value the health of our community which starts with a good breastfeeding relationship during infancy.

For more information, please call our office at 573-324-2111 and ask to speak with Leah Diffey, our Breastfeeding Peer Counselor.

- Refreshments
- Give-Aways
- Door Prizes
